TITLE	COMPUTER HARDWARE AND SOFTWARE TECHNICIAN
METHODOLOGY	ONLINE
CLOCK HOURS	160
TYPE	CERTIFICATE

Don't miss out on this incredible opportunity to kickstart your IT career or enhance your existing skill set. Enroll in our PC hardware and operating systems course today and unlock a world of possibilities!
PROGRAM OVERVIEW

This course is designed to prepare the student to install, manage, repair, secure, and troubleshoot PC hardware and Windows, Linux, and Mac operating systems. This A+ training is considered foundational-level CompTIA training, which means it was designed for people with no experience at all. This Core 220-1001 course is valuable for new or aspiring IT professionals, looking to validate foundational skills, and even non-technical professionals.

Prestige Career College offers quality education, an experienced faculty, hands-on training, career services support, and industry connections, that will equip you with the tools and opportunities to thrive in your chosen field.
